

## Industrial & Commercial Cleaning Specialists

'MAKING YOUR PROJECTS SHINE'

# Hello.

**Aquila is a UK leading industrial cleaning specialist and supplier of Builders Cleans and Sparkle Cleans.**

**We have the capacity and ability to manage and deliver various projects, ranging from new football stadiums through to hospitals, supermarkets, hotels and casinos. We invest heavily in staff training and qualifications, ensuring our projects are monitored and completed to the highest of standards every time.**

**We pride ourselves on hiring local cleaning professionals who are trained and accredited to work seamlessly alongside tradespeople, contractors, architects, project managers and private clients.**

**We offer competitive, flexible and professional cleaning packages that are all designed to make your projects shine.**

ACCREDITED BY

# Tottenham Hotspur

**Client: Tottenham Hotspur FC**  
**Project Value: £1m**

'I have worked with Aquila Facilities for over a year on a large project in London and I have always been very satisfied with their service and willingness to carry out all tasks. Aquila demonstrates professionalism throughout all aspects of their service from cleaning tasks on site through to project management and health and safety. I would highly recommend Aquila's services to anyone looking for a cleaning contractor.'

Christopher Keenan, Tottenham Hotspur

**Aquila was appointed to carry out the builders clean and hygienic clean to all 106 kitchens at the ground. Within weeks of being onsite, Aquila was also appointed to carry out the entire builders clean to the stadium.**
